

# HALM – Grundregeln des Infektionsschutzes

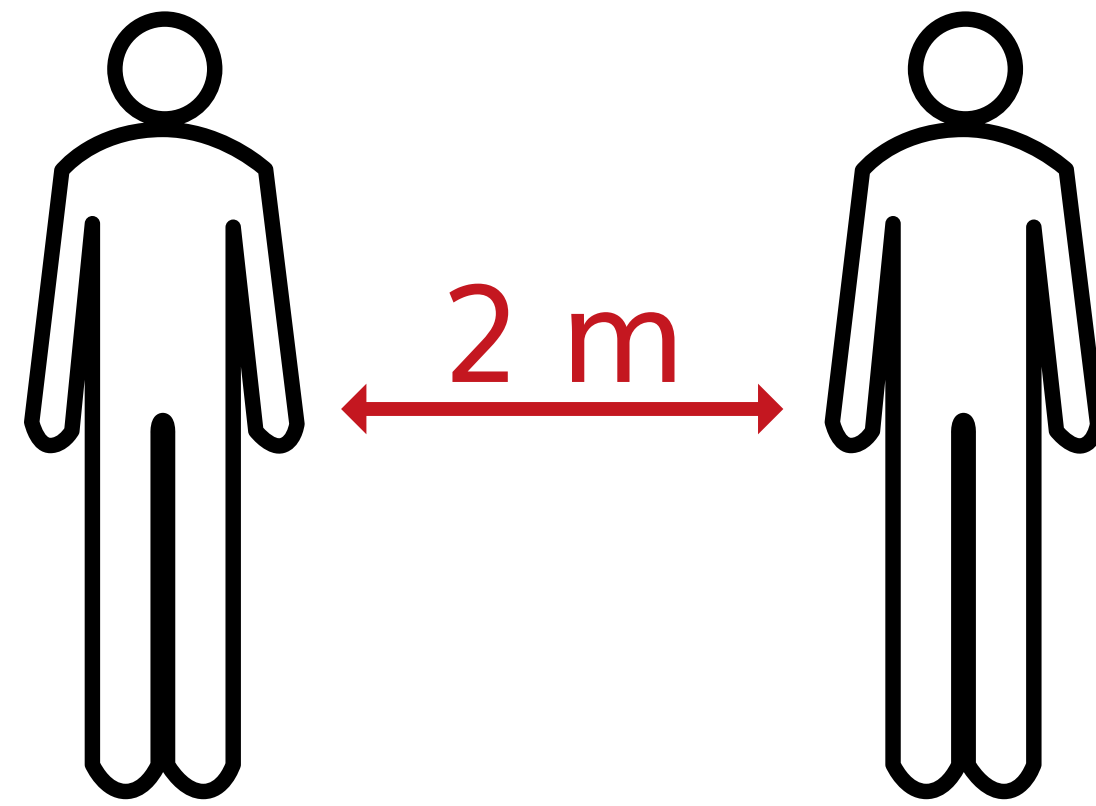

## Basic rules of infection protection

### Hygiene

Regelmäßiges Händewaschen, Handkontakt vermeiden, Hust- und Niesetikette beachten

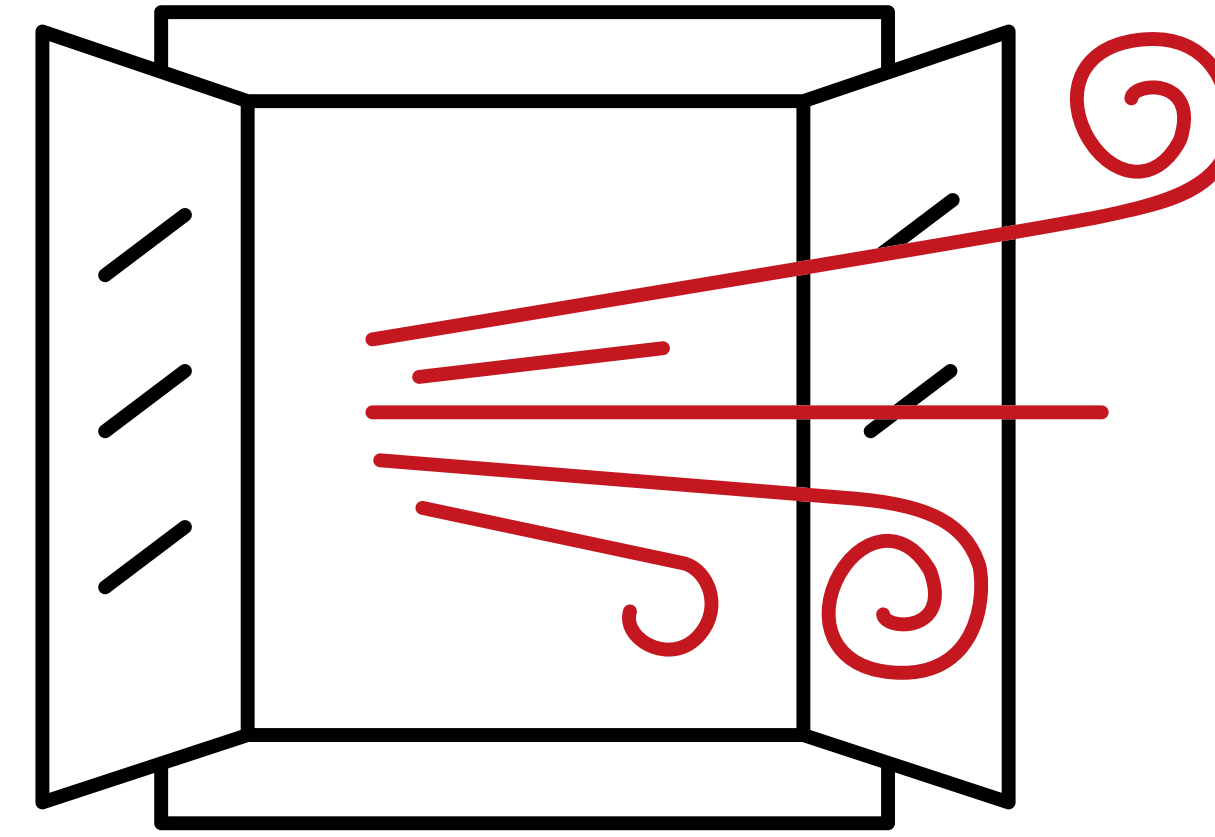

*Frequent handwashing, avoid physical contact, cough and sneeze into your elbow*

### Abstand

Mindestens 2 Meter Abstand halten, auch in Pausen, auf Fluren, in Aufzügen

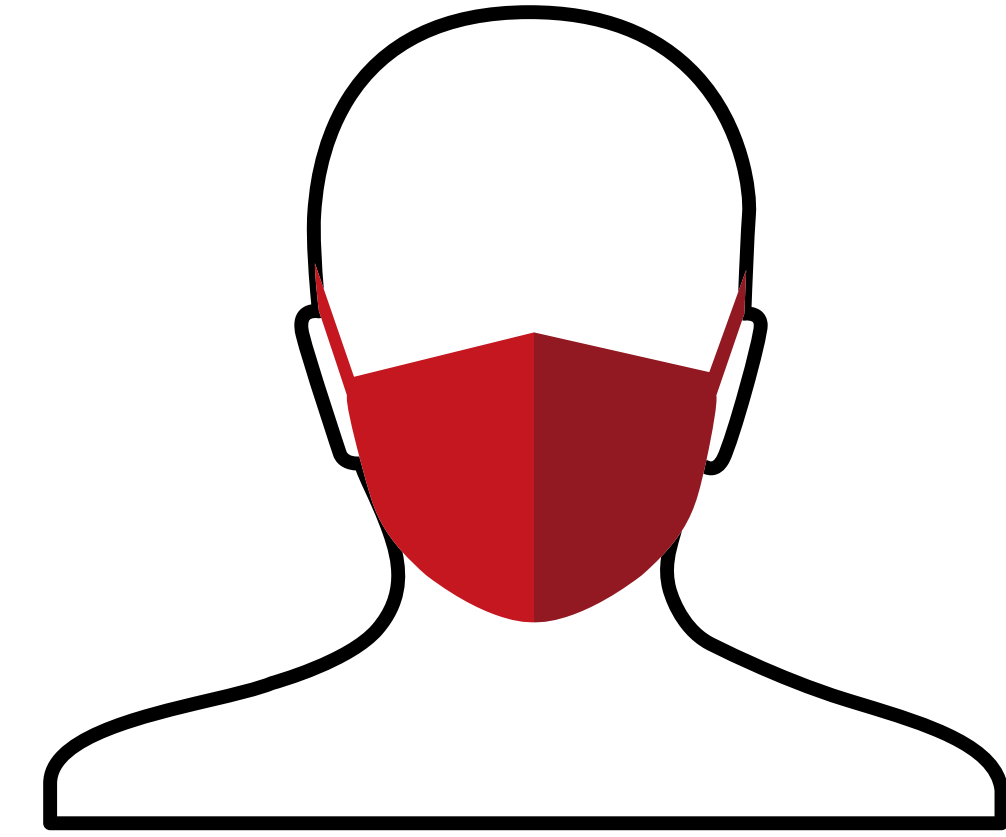

*Keep at least 2 meters from others, including during breaks, in corridors, and elevators*

### Lüften

Räume regelmäßig lüften – alle 15 Minuten

*Air rooms regularly – at least every 15 minutes*

### Maske

In der TU Berlin gilt Maskenpflicht

*Masks are to be worn in all TU Berlin buildings*
