To
The dean of Faculty VI - Planning Building Environment -
at Technische Universität Berlin

Sekr. A 1
Straße des 17. Juni 152
10623 Berlin

Academic title, first name(s), last name(s)

Address, phone, email

TU staff should also include staff code and extension no.

1. Doctorate sought and dissertation details

I hereby apply for admission to the doctoral procedure at Faculty VI for the purpose of obtaining the following doctorate:

Title of the dissertation:

I have submitted my declaration of intent to pursue a doctorate at Faculty VI:

If yes, please indicate the year and any differences in name if applicable:

2. Prior publications

The dissertation or parts of the dissertation

Details of prior publications or cumulative dissertation (thesis by publication) pursuant to § 2 (3 and 4) of the TU Berlin Doctoral Regulations as well as the implementing regulations of Faculty VI of 10.11.2021 are attached. A list of previous publications and a copy of each is attached pursuant to § 5 (1) no. 5 of the TU Berlin Doctoral Regulations.

3. Supervision

The dissertation was supervised by (if you submitted a declaration of intent to pursue a doctorate, please enter the name you provided there):

Title, first name, last name

Institute

Further information regarding § 8 (1) 6 of the Doctoral Regulations: Doctoral candidates are allowed to view the reviews of their dissertation prior to their scientific defense, provided the supervisor is a member of one of the institutes of Faculty VI (primary membership) listed in the implementing regulations of Faculty VI of 10.11.2021.

4. Proposal for the appointment of reviewers (§ 5 (2) of the TU Berlin Doctoral Regulations)

Important: Please also refer to § 6 (3 and 4) of the Doctoral Regulations as well as the implementing regulations of Faculty VI dated 10.11.2021.

I propose the following persons as reviewers:

(Please also include address, institution, and email if proposing **external** reviewers. Please indicate which reviewers are co-authors of your research findings or other work.)

Further information regarding § 6 (3) 3 of the Doctoral Regulations: I hereby declare that none of the proposed reviewers are co-authors of findings or publications of mine (regardless of whether these findings or work have been included in this dissertation), or if they are, that I have proposed at least as many reviewers who have not had or do not have a cooperative scientific relationship with me. I have attached a list of publications.

Date, applicant's signature

As chair of the doctoral committee, I propose the following person as reviewer **without obligation**:

Title, first name, last name

Institute

5. Details of other doctoral procedures

University and faculty (if not Faculty VI at TU Berlin) where an application for commencement or admission to a doctoral procedure has already been submitted.

Type of application(s) and date of submission

In the event of previous applications for admission: dissertation title and result of the procedure

6. Information about your university studies

(You do not need to complete this section if you already provided this information when submitting your declaration of intent to pursue a doctorate at Faculty VI.)

I have completed the following degree programs (please enter the program qualifying you for a doctorate first):

Degree program:

Minor subject:

Degree:

University:

Degree program:

Minor subject:

Degree:

University:

7. Signature

Date, applicant's signature

8. Declarations pursuant to § 5 (1) of the Doctoral Regulations

With reference to no. 1: I hereby declare that I am familiar with the Doctoral Regulations in their currently valid version effective from 25 June 2021, and with the implementing regulations of Faculty VI dated 10.11.2021.

With reference to no. 5: I hereby declare that all publications relating to the dissertation as well as details of co-authors and my own contributions have been included as annexes pursuant to § 2 (4) of the Doctoral Regulations.

With reference to no. 7: I hereby declare that I have included details of all declarations of intent to pursue a doctorate as well as applications to commence a procedure under 5.

Date, applicant's signature

With reference to no. 6: I hereby declare in lieu of oath that the dissertation is my own independent work. All sources and aids used are listed and the details regarding my own contributions in the case of co-authorship are correct.

Date, applicant's signature

Do you provide your consent to the use of the personal data you provided on page 1 by TU Berlin for purposes such as alumni activities or surveys after the completion of the doctoral process?

Date, applicant's signature

Annexes

- One printed copy of the dissertation for each designated reviewer and two additional printed copies.
- An electronic copy of the dissertation in PDF format on an external data carrier
- Signed CV** (please include the following: title, last name(s), first name(s), birth name if applicable, date and place of birth, nationality, postal address, email address)
- A list of publications
- If not previously submitted:* Certified copies of diplomas and certificates of university degrees and transcripts (list of grades and subjects) pursuant to § 3 of the TU Berlin Doctoral Regulations or simple copies upon presentation of original documents. Certified translations are required for documents issued in languages other than German or English.

Additional requirements for prior publications or a cumulative dissertation (thesis by publication)

- Bibliographic details as well as a copy of each prior publication (or confirmation of receipt for manuscripts submitted for publication)
- If applicable, a list of co-authors and details of your own contribution

I confirm that all documents are provided in full.

Date, applicant's signature
