About

**During the summer 2024, *Lausanne Jardins 2024* will present ca. 50 in situ ephemeral gardens anticipating the transformations of Lausanne's urban landscape, on lake Geneva shore.**

**Topic the 2024 Edition: “Between the Water and us”**  
**<https://www.lausannejardins.ch/>**

**Proposed topics : Urban/landscape design strategies “Beyond Lausanne Jardins”:** from tactical urbanism to long-term urban socio-ecological transition strategies (circular water/soil supply; etc.)

**>> possible contributions to the catalogue of Lausanne Jardins 2024 (publication opportunities)**
