2. Current studies at the TU Berlin

If you are currently enrolled at TU Berlin, the following information must be provided!

If you are applying for a preparatory course, bachelor's degree or state examination, please leave blank.

If you are currently enrolled in two degree programs at TU Berlin at the same time, one of them must be terminated. Otherwise, you will not be enrolled in the degree program you have applied for. At TU Berlin, simultaneous enrollment is only permitted in a maximum of two degree programs.

☐ I am already enrolled in two degree programs and would like to withdraw from the following degree program:

Study program: _____

☐ I am already enrolled in two other degree programs and do not wish to continue either of them and am requesting termination of both programs.

☐ I am currently only enrolled in one degree program.

NOTE: In the event of admission, we will de-register (exmatriculate) you from the degree program(s) you specified.

If you are transferring from a bachelor's program that you have not yet completed to a master's program, we recommend that you remain enrolled in this bachelor's program until graduation.
