Failure to meet a deadline in degree program

Dear student,

We regret to inform you that you **did not pass** the second repeat examination in the module stated in your notification due to failure to meet the deadline / failure to attend the examination in accordance with Section 50 (2) of the general study and examination regulations. A module grade of **5,0 (not sufficient)** has been set.

You have the opportunity to respond with a detailed written explanation for your failure to attend until the date set in your notification. Your response will be forwarded to the examination board for their decision.

Should you not respond, or if you respond only after the deadline has expired, then the conditions for termination of enrollment (ex-matriculation) apply in accordance with Section 15 (3) no. 4 of the applicable regulations governing higher education in Berlin (GVBl p. 378). You will be ex-matriculated ex officio unless you can provide sufficient reason for your continued enrollment within two months or before the end of the semester (whichever comes first). If you are intending to continue your studies on another degree program, please read the information regarding the conditions for doing so on the webpage of the Office of Student Affairs: <http://www.tu-berlin.de/> or via Quick Access: 20843. Please note the deadlines for application and enrollment.

It is not possible to re-register for the above-mentioned degree program for the coming semester. **A previous re-registration is canceled.** Should you have already paid your fees for the coming semester and you are not continuing your studies on another degree program at TU Berlin, these fees can be refunded to you. Your campus card is the property of TU Berlin and as such is to be returned to the Campus Center either in person or by post at the end of the current semester, together with the semester ticket for the coming semester should you already have received this. Further information is available via Quick Access 146450.
